

Your Kids' Dreams and Their Money

What You'll Learn

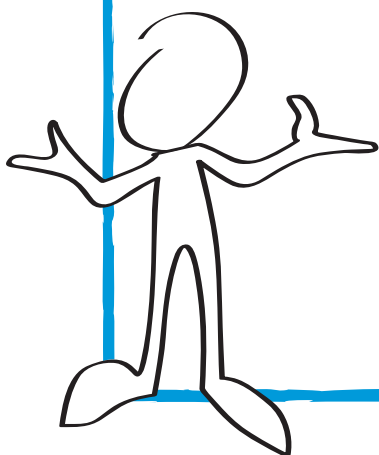

1. How to compare a short-term and a long-term financial goal
2. How to state a measurable, short-term financial goal
3. The steps to making a short-term financial goal

Talk about It

Ask your child:

- When have you made a money goal? How did it go?
- What do you wish you could buy?
- How can I create ways to help you make and meet your money goals?

My Notes:

Visit www.bankit.com for more information on making positive money choices.
