

My Dreams

We all have dreams. Some of us want to buy something special. We may dream of getting an education to change careers. Or we may want to buy a house. Write one or two dreams you have for your immediate future (present to one year), another for your short-term future (two to four years), and another for your long-term future (5 years or more).

Personal Immediate Dreams (present to 1 year)	Personal Short-Term Dreams (2 to 4 years)	Personal Long-Term Dreams (5 years or more)
