

# Investing for the Long Term

## What You'll Learn

1. How to buy and sell investments
2. What a prospectus is
3. What affects the value of an IRA

## Talk About It

### Ask your teenager:

- How can investing as an adult help you in the future?
- What do you think of retirement investment plans for adults?
- Which investments are you interested in learning more about?

My Notes:

Visit [www.bankit.com](http://www.bankit.com) for more information on making positive money choices.
