

A Savings Plan for Parents

What You'll Learn

1. How to develop a savings plan
2. The difference between a savings account and a checking account
3. How saving is part of a personal budget

Talk About It

Ask your teenager:

- What are you saving for?
- What is the savings plan that you're creating?
- How can I support you in following your savings plan?

My Notes:

Visit www.bankit.com for more information on making positive money choices.
