Welcome and Overview

What is Bank It?

Bank It delivers real-world topics and tools to help you:

- Understand,
- Talk about, and
- Manage your money.

From Capital One and Search Institute

#1-BU-E

Welcome and Overview

Three goals for today:

1. Describe what a budget is.
2. List advantages to having a budget.
3. Prepare a personal property inventory.

Activity

Take the Pretest

#1-BU-E

Activity

What is the definition of a budget?

Activity

What is an advantage to having a budget?

Activity

Who talks about budgets?

#1-BU-E

Present

How can a checking account help with budgeting?

1. A checking account provides a monthly statement that helps you track the money you deposit and the money you withdraw.
2. A checkbook ledger from your checking account can help you budget.
3. The monthly statement can help you balance your checking account.

Present

Where can you open a checking account?

1. At a bank
2. At a savings and loan
3. At a credit union

Present

What is important to include in a personal property inventory?

Answer: The amount that each item is worth

Present

What information is important to find out about a store's product return policy?

- If you need the original receipt from when you bought the item
- What the timeframe is for returning the item

Discuss

Turn to talk to someone near you.

1. Say your first name.
2. Talk about who you can learn more about budgets from and why.

Review and Evaluate

What is the definition of a budget?

Answer: A budget is a way to track your money to ensure that the amount you spend doesn't exceed the amount you earn.

Review and Evaluate

What is an advantage to having a budget?

1. With a budget, you can more easily see how your spending compares to the amount of money you bring in.
2. With a budget, you can more easily make long-term money plans.
3. With a budget, you can more easily change the way you use your money to live within a budget.

Review and Evaluate

How can a checking account help with budgeting?

1. A checking account provides a monthly statement that helps you track the money you deposit and the money you withdraw.
2. A checkbook ledger from your checking account can help you budget.
3. The monthly statement can help you balance your checking account.
