

Your Dreams and Your Money

What You Learned

1. A financial goal is a money target you're aiming for.
2. There are measurable, short-term financial goals.
3. Every family has household assets.

Talk about It

Ask your parents:

- When did you most recently achieve a money goal?
- How do you feel when you achieved a money goal?
- How can you help me achieve a money goal?

Do It

- With your parents, talk about your short-term and long-term dreams.
- Follow the four steps to achieve a short-term money goal.
- Celebrate when you achieve a money goal.
