

Stocks and Bonds

What You'll Learn

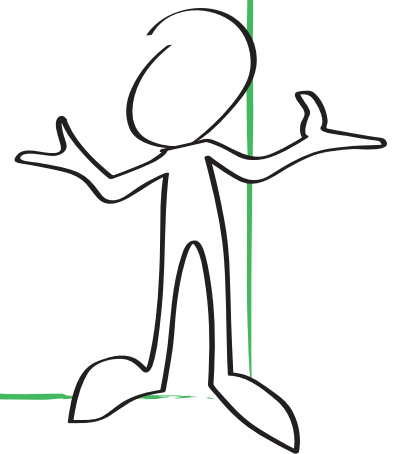

1. What a stock is
2. What affects the value of a stock
3. What a mutual fund is

Talk About It

Ask your parents:

- What do you think of stocks?
- What do you think of bonds?
- What do you think of investing in stocks as an adult? In bonds?

My Notes:

Visit www.bankit.com for more information on making positive money choices.
