# Using Your Money Well

## What You'll Learn

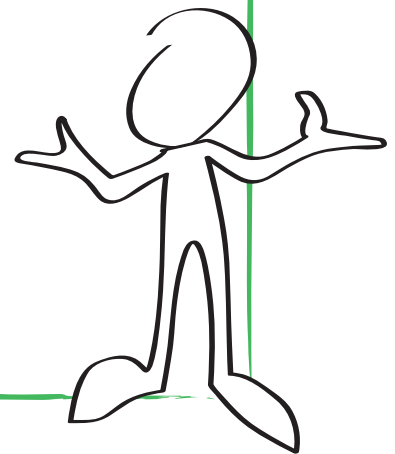

1. How people might use money to deal with an emotion
2. Which family members you can talk to about money
3. The categories of Developmental Assets

## Talk About It

### Ask your parents:

- How do you use your money when you're upset?
- How do you use your money when you're celebrating?
- How do you make sure you make wise money choices no matter what kind of mood you're in?
